

Pinnacle 360°

COMPANY	Synergetics USA, Inc.
PHONE	+1 636 939 5100
WEB	www.synergeticsusa.com
KEY FEATURES	
• Ergonomic handle available in 13 tip configurations • 360° actuation grip allows the retina to be approached from any angle • Instruments are color-coded and labeled for quick and easy identification	

The Pinnacle 360° (Synergetics USA, O'Fallon, MO) is a line of fully disposable instrumentation designed for use in retinal surgery. According to company literature, the Pinnacle 360° handle features a 360° actuation grip that allows the surgeon to approach the retina from any angle. It also provides the ability to reposition the instrument without leaving the eye and has the same tactile response from any location on the grip. The handle is available in 13 tip configurations, including Tano and Eckardt style forceps, scissors, and foreign body forceps. The instruments are color-coded by gauge size—20-, 23-, 25-, and 27-gauge—and are labeled by type. All tips are finished with a blackening process, leaving them virtually glare-free.

Ojo Fortified Eye Care Nectar

COMPANY	Ojo
PHONE	+1 877 344 6030
WEB	http://ojonectar.com
KEY FEATURES	
• An all-natural juice alternative to the AREDS vitamins • Formulated based on the results of clinical studies including AREDS 1 and 2 • Contains antioxidants, omega-3s, anthocyanides, lutein, and zeaxanthin	

Ojo Fortified Eye Care Nectar is an all-natural juice alternative to the often difficult to ingest AREDS vitamins for patients with macular degeneration or those looking to protect and preserve vision, according to company literature. Developed under the direction of Jodi Luchs, MD, FACS, Ojo's formulation is based on the results of the National Eye Institute's AREDS 1 and 2; the beverage contains the supplements that were clinically proven in those studies and others to promote eye health, including antioxidants, omega-3s, anthocyanides, lutein, and zeaxanthin. Ojo consists of 50% all-natural juices at 100 calories per 8-ounce bottle and is available in 3 flavors: Mango Blackcurrant, Orange Cranberry, and Peach Blueberry. Ojo can be purchased online at Ojonectar.com, Walgreens.com, and Thirstmonger.com. ■
